Family Income: We realize questions regarding family household income are sensitive. Funds have been secured for Eureka! so the program can be offered at no cost to participants. This is to provide access to intensive STEM-focused educational opportunities to girls whose families have limited financial resources.

Is the applicant eligible for free or reduced price lunch at their school?  Yes  No

We realize there can be other challenges a family may be encountering that impact their household income. Is there anything you would like us to know about your family's situation?

**TO BE FILLED OUT BY PARENT/GUARDIAN AND PARTICIPANT**

**Attendance and participation are crucial to the success of Eureka!** Are you both (Parent/Guardian and Participant) committed to actively participate in this program until the participant graduates high school?  Yes  No

We would like to apply to join Eureka!, a 5-year STEM, Sports and Leadership program with Girls Inc. at YWCA Minneapolis. We understand Eureka! is a grant funded program and if selected, we will be active participants in this program.
