

Exclusion of Sick Children Policy:

A child exhibiting any conditions or behaviors determined by YWCA to be an illness will be excluded from our childcare areas. If the child becomes sick while in our care, the child will be isolated from the other children while a staff finds the parent/guardian to take the child home. If your child is sick, please do not make reservations for the full next day.

- a. A fever of 99 or more- The child should stay home for 24 hours after the temp returns to normal.
- b. Has an infectious cold, evidenced by runny nose with either green or clear mucus - if your child's nose has to be wiped multiple times in a short period.
- c. Has a bad cough or respiratory distress.
- d. Vomiting or diarrhea. The child should stay home for 24 hours after the last episode.
- e. Has a rash for which the cause is not known.
- f. Contagious conjunctivitis (pink eye) or pus draining from the eye.
- g. Bacterial infection such as strep throat or impetigo and has not completed 24 hours of antimicrobial therapy.
- h. A child who has unexplained lethargy.
- i. Chicken pox unless and until the child is no longer infectious and until the lesions are crusted over.
- j. Has any other illness or condition that could be infectious to other children. i.e. (Measles, Rubella, Mumps, Hand Foot and Mouth etc.)
- k. It may be necessary to provide a verification of wellness from a treating physician before returning to Kids Zone.
